

PTERIDOPHYTES

◆ ASPLENIACEAE. The Spleenwort Family.

Asplenium L. Spleenwort.

- A. bradleyi** D.C.Eat. Bradley's s.
- A. montanum** Willd. Mountain s.
- A. pinatifidum** Nutt. Lobed s.
- A. platyneuron** (L.) BSP. Ebony s.
- A. resiliens** Kunze. Black-stalked s.
- A. rhizophyllum** L. Walking fern.
- A. ruta-muraria** L. Wall-rue.
- A. trichomanes** L. Maidenhair s.

◆ AZOLLACEAE. The Mosquito Fern Family.

Azolla Lam.

- A. caroliniana** Willd. Mosquito fern.
- ?**A. mexicana** C.Presl.

◆ BLECHNACEAE. The Chain Fern Family.

Woodwardia Sm. Chain fern.

- W. areolata** (L.) T.Moore. Netted c. f.

◆ DENNSTAEDTIACEAE. The Bracken Family.

Dennstaedtia Bernh.

- D. punctilobula** (Michx.) T.Moore. Hay-scented fern.

Pteridium Gled. ex Scop.

- P. aquilinum** (L.) Kuhn. Bracken fern.
- var. **latiusculum** (Desv.) Underw. ex A.Heller
- var. **pseudocaudatum** (Clute) A.Heller

◆ DRYOPTERIDACEAE. The Wood Fern Family.

Athyrium Roth.

- A. filix-femina** (L.) Roth. Lady fern.
- subsp. **asplenioides** (Michx.) Hultén

Cystopteris Bernhadi. Bladder fern.

- C. bulbifera** (L.) Bernhadi. Bulblet b. f.
- C. protrusa** (Weath.) Blasdel. Southern b. f.
- C. tennesseensis** Shaver. Tennessee b. f.
- C. tenuis** (Michx.) Desv. Mackay's brittle fern.

Deparia Hooker & Greville.

- D. acrostichoides** (Sw.) M.Kato. Silvery glade fern.

Diplazium Sw.

- D. pycnocarpon** (Spreng.) M.Broun. Narrow-leaved glade fern.

Dryopteris Adanson. Wood fern.

- !**D. carthusiana** (Vill.) H.P.Fuchs. Spinulose w. f.

?**D. celsa** (W.Palmer) Knowlton

- D. goldiana** (Hook.) A.Gray. Goldie's w. f.
- D. intermedia** (Muhl. ex Willd.) A.Gray. Evergreen w. f.
- !**D. ludoviciana** (Kunze) Small. Southern w. f.
- D. marginalis** (L.) A.Gray. Marginal w. f.

Onoclea L.

- O. sensibilis** L. Sensitive fern.

Polystichum Roth.

- P. acrostichoides** (Michx.) Schott. Christmas fern.

Woodsia R. Br. Cliff fern.

- W. obtusa** (Spreng.) Torr. Blunt c. f.
- !**W. scopulina** D.C.Eaton. Mountain c. f.

◆ EQUISETACEAE. The Horsetail Family.

Equisetum L. Horsetail, scouring-rush.

- E. arvense** L. Field h.
- E. Xferrissii** Clute.
- E. hyemale** L. Common s.-r.

◆ HYMENOPHYLLACEAE. The Filmy Fern Family.

Trichomanes L. Bristle fern.

- T. boschianum** Sturm. Appalachian b. f.
- T. intricatum** Farrar. Appalachian trichomanes.

◆ ISOETACEAE. The Quillwort Family.

Isoetes L. Quillwort.

- !**I. butleri** Engelm. Butler's q.
- I. engelmannii** A.Braun. Engelmann's q.
- !**I. melanopoda** Gay & Durieu ex Durieu. Black-footed q.

◆ LYCOPODIACEAE. The Club-moss Family.

Huperzia Bernhadi. Fir-moss, Club-moss.

- H. lucidula** (Michx.) Trevis. Shining f.-m.
- H. porophila** (F.E.Lloyd & Underw.) Holub. Rock c.-m.

Lycopodiella Holub. Bog club-moss.

- L. alopecuroides** (L.) Cranfill. Foxtail b. c.-m.
- !**L. appressa** (Chapm.) Cranfill. Appressed b. c.-m.
- !**L. inundata** (L.) Holub. Northern b. c.-m.

Lycopodium L. Club-moss

- ?**L. annotinum** L.
- ?**L. carolinianum** L.
- !**L. clavatum** L. Running c.-m.
- L. digitatum** Dill. Southern running-pine.
- L. hickeyi** W.H.Wagner, Beitel, & Moran. Hickey's c.-m.
- L. obscurum** L. Tree c.-m.
- L. tristachyum** Pursh. Blue ground-cedar.

- ◆ LYGODIACEAE. The Climbing fern family.

Lygodium Sw.

L. palmatum (Bernh.) Sw. Climbing fern.

- ◆ MARSILEACEAE. The Water-Clover Family.

Marsilea L.

***M. quadrifolia** L. Water-clover.

- ◆ OPHIOGLOSSACEAE. The Adder's-tongue Family.

Botrychium Swartz. Grape fern.

B. biternatum (Savigny) Underw. Sparse-lobed g. f.

B. dissectum Spreng. Dissected g. f.

B. lanceolatum (S.G.Gmel.) Ångstr. Lance-leaved g. f.

!**B. matricariifolium** (Döll) A.Braun. Daisy-leaf moonwort.

!**B. oneidense** (Gilbert) House. Blunt-lobed g. f.

B. virginianum (L.) Sw. Common g. f., rattlesnake fern.

Ophioglossum L. Adder's-tongue.

O. engelmannii Prantl. Limestone a.-t.

O. pusillum Raf. Northern a.-t.

O. vulgatum L. Southern a.-t.

- ◆ OSMUNDACEAE. The Royal Fern Family.

Osmunda L.

O. cinnamomea L. Cinnamon fern.

O. claytoniana L. Interrupted fern.

O. regalis L. Royal fern.

- ◆ POLYPODIACEAE. The Polypody Family.

Pleopeltis Humboldt & Bonpland ex Willdenow.

P. polypodioides (L.) E.G.Andrews & Windham. Resurrection fern.
var. **michauxiana** (Weath.) E.G.Andrews & Windham.

Polypodium L. Polypody.

P. appalachianum Hauffler & Windham. Appalachian p.

P. virginianum L. Rock p.

- ◆ PTERIDACEAE. The Maidenhair Fern Family.

Adiantum L. Maiden-hair fern.

A. capillus-veneris L. Southern m.-h. f.

A. pedatum L. Northern m.-h. f.

Argyrochosma (Sm.) Windham.

A. dealbata (Pursh) Windham. Powdery cloak fern.

Cheilanthes Swartz. Lip fern.

!**C. alabamensis** (Buckley) Kunze. Alabama l. f.

!**C. feei** T.Moore. Slender l. f.

C. lanosa (Michx.) D.C.Eaton Hairy l. f.

Pellaea Link. Cliffbrake.

P. atropurpurea (L.) Link. Purple c.

P. glabella Mett. ex Kuhn. Smooth c.

- ◆ SELAGINELLACEAE. The Spike-moss Family.

Selaginella P. Beauv. Spike-moss.

S. apoda (L.) Spring. Meadow s.-m.

?**S. rupestris** (L.) Spring.

- ◆ THELYPTERIDACEAE. The Marsh Fern Family.

Phegopteris (C.Presl) Fée.

P. hexagonoptera (Michx.) Fée. Southern beech fern.

Thelypteris Schmidel.

†**T. dentata** (Forsskal) E.P.St.John.

T. noveboracensis (L.) Nieuwl. New York fern.

T. palustris Schott. Marsh fern.

var. **pubescens** (Lawson) Fernald.

- ◆ VITTARIACEAE. The Shoestring Fern Family.

Vittaria Sm.

V. appalachiana Farrar & Mickel. Appalachian shoestring fern.

CONIFEROPHYTA

- ◆ CUPRESSACEAE. The Cypress Family.

Juniperus L. Juniper, red-cedar.

!**J. communis** L. Common j.

J. virginiana L. Eastern r.-c.

Platycladus

†**P. orientalis** (L.) Franco

Taxodium Rich.

T. distichum (L.) Rich. Bald-cypress.

var. **distichum**

Thuja L.

!**T. occidentalis** L. Northern white cedar.

- ◆ PINACEAE. The Pine Family.

Picea A.Dietr.

†**P. abies** (L.) H.Karst. Norway spruce.

Pinus L. Pine.

P. echinata Mill. Short-leaf p.

†**P. nigra** J.F.Arnold

P. rigida Mill. Pitch p.

P. strobus L. White p.

†**P. sylvestris** L. Scots p.

†**P. taeda** L. Loblolly p.

P. virginiana Mill. Virginia p.

Tsuga Carrière.

T. canadensis (L.) Carrière Eastern hemlock.

◆ TAXACEAE. The Yew Family.

Taxus L.

†**T. baccata** Siebold & Zucc.

!**T. canadensis** Marshall. Canadian yew.
